# Foreword

Bowling is one of the most healthful indoor recreations; it exercises every muscle in the body, teaches one to be accurate and develops a resolute control of arms and legs. It gives recreation, diversion, pleasure and healthful exercise to more people than any other sport for every month in the year since it is primarily a game for participants.

Great strides have been made in the growth of the game nationally since the organization of the American Bowling Congress, and also locally since our own Association was formed.

Only through your co-operation is it possible to make this book complete in its information and items of interest to you, and its aim is to help you know bowlers and bowling better in the Louisville area.

In this 1973 edition of the Year Book, names of bowlers are listed alphabetically, showing all official averages for the season of 1972-73. Official averages are based on 21 games or more as per our rules. Preceding the averages is a code (blue section) identifying the league and lanes where each average was established.

All material, cuts, and wording used in ads were submitted by the advertisers and in no way reflect the opinion of the publishers; nor should they be considered an endorsement by the Greater Louisville Bowling Association.

We wish to extend our sincere thanks to you, and want you to know that the energy, enthusiasm and constant loyalty which has made bowling what it is today is deeply appreciated by the officers of your City Association.

## DEDICATION, 1973

This, the 20th edition of the Average and Year Book in printed form, is dedicated to captain Ray Yocum and his Thelmal Masters teammates, who won the five-man championship in the Regular Division of the 1973 ABC tournament at Syracuse, N. Y.

Rolling with Ray were Ron Woolet, Sam Capshaw, Don Massie and Ron Moore.

Woolet also won the all-events championship at Syracuse, giving Louisville two titles at the huge and prestigious tournament.

The achievements of these five men did much to bring honor and bowling fame to Louisville and our heartiest congratulations go out to them.

## WILLIAM J. DOYLE

### *President, Greater Louisville Bowling Association*

WILLIAM J. DOYLE

The night of May 22, 1973, brought a cherished 50th birthday gift to William J. Doyle. That was the night he was elected President of the Greater Louisville Bowling Association for the 1973-74 season at the annual meeting of the Council of Delegates.

"Bill," as his many friends know him, has been a bowler for 26 years, with a high league average of 178, and was first elected to the GLBA Board of Directors in 1962.

He and his wife, Louise, have three children, Bill Jr., Michael and Beth, whose ages range from 14 to 18. Mrs. Doyle also bowls in leagues, but the children confine themselves to open bowling.

Born in Glasgow, Ky., Bill has lived in Louisville for many years. He has worked for 32 years as a cartographer for the U. S. Defense Mapping Agency Topographic Center and is a charter member and past president (1971-72) of the American Society of Cartographers.

Bill has served on the GLBA Hall of Fame Committee since its origin and now is chairman. He is also a director of the Southern Bowling Congress and was the principal spokesman in Louisville's bid for the 1974 SBC tournament, to be held here in March.

His goals as President: "To foster effective communications throughout our bowling community; to promote record local entries in the August City Tournament, the State Tournament at Ashland this fall, the 1974 ABC at Indianapolis and the 1974 Southern in Louisville; and to support the Greater Louisville Bowling Council in its activities for the common good of all bowlers in the GLBA area."

## FROM THE RETIRING PRESIDENT

TO ALL MEMBERS OF THE G.L.B.A.:

Elmer Kaiser

I would like to take this opportunity to thank each and every one of you for the honor you have given me to serve as your President of the Greater Louisville Bowling Association. The biggest thrill for me this year was when I received the plaque in honor of my father to the GLBA Hall of Fame. There are no words that I could say to tell you how I felt at that moment.

I would like to thank all of the Past Presidents, Directors and Vice-Presidents for the fine cooperation they have given me. Without this cooperation, the job of the President could not function. I especially want to express my thanks to our Secretary, Jacques Curwen, for a job well done. He is always willing and ready to do whatever he is called upon to do. It has been my pleasure to serve and work with him during the past year.

Upon retiring as President, my hopes are that I will be able to continue to serve you as a bowler and as a member of the Greater Louisville Bowling Association for many years to come.

Thank you again for the honor you bestowed on me.

Sincerely,  
Elmer C. "Bud" Kaiser

## A MESSAGE FROM THE G.L.B.A. SECRETARY

CURWEN

Yes. The bowling game is still growing in the Louisville Area. Our organization regular paying GLBA membership has grown from 21,155 to 21,746 this year which means a 2.3% increase in male members. We can look forward to an equal gain next year as there will be twelve additional lanes added to Okolona Lanes, while during the previous season we lost two houses totaling 28 lanes.

The Greater Louisville Bowling Council continues to be the leader of the Bowlers in the Louisville area. The Council held a very successful Charity Drive last winter as a total of \$10,218.89 was collected. In April despite a late start after a number of leagues had already completed their bowling the Bowl for Crusade was held and over \$6,300.00 was collected. This proves that the local bowlers do have a charitable heart and for all those who gave we say thanks. The last project of the Council, the All American Youth Bowling Championships for the Kentucky and Southern Indiana graduating high school seniors was held in June. This is the first year that a district tournament was held and we have representation from all parts of our area. Also we annually hold summit meetings for all parts of the game and discuss our problems and as a result many helpful changes to the bowling game have originated. We hope that all bowlers in the area will continue to support the various Council activities.

This past season the majority of secretaries cooperated in getting all male bowlers to sign a card when they joined their league. As a result this year's average book will carry the true name of the bowler as he signed up in the league. In the past we had to play a guessing game as to the correct identity of the bowler as nicknames were used. Unfortunately we still have secretaries who do not follow up to see that all their bowlers have signed up and as a result when the final average sheets were turned in we have picked up over 100 bowlers who did not pay GLBA membership dues. Actually if ABC Rules were followed all the games that these individuals took part in could be declared forfeited as ineligible bowlers were used. Beside it being the secretary's responsibility it is also the Captain's as according to ABC Rule 104 he is fully responsible for the eligibility of his players.

Most secretaries have accepted our change to data processing and like the method of posting their January 1st and final averages on the computer print-outs. Next year according to ABC Rule 102 (e) Paragraph 2 we will have to add a column for total pinfall. As an added service to the secretary we are going to add an identification to the print-out sheet so that the secretary can tell who has paid in his league. Quite often we have this question asked "Who paid in our league?" After the cards have been returned from the data processing they are filed alphabetically and the only way we can find out which league the bowler has paid in is by checking each individual's cards out which is time consuming. All secretaries should keep a record of those paying on the individual record sheet of the bowler as suggested in the secretary manual.

Next year we are going to issue a revised secretary manual which will be in binder form. After this year those that have the secretary manual will receive revised pages which they can insert as changes are made. As a guide to the President we are now in the process of working up a manual for his use. Unfortunately the office of President of a league is not a popularity title. According to the ABC it is his duty to watch over the league monies and see that the league is run in a democratic fashion. If these duties are not carried out a president can go down with his bad secretary who finds other ways to use the league monies. The office of league president is equally as important as league secretary and together they are supposed to guide their league through a successful season.

### SECRETARY'S OFFICE HOURS

8:30 A.M. to 5:00 P.M. Monday through Friday, exclusive lunch hour

**Greater Louisville Bowling Association**

110 Ten Pin Lane — 40207

Phone 807-3369

During the past season the majority of complaints we received were on rules covering the following items:

- A. Postponements and who can authorize the postponements.
- B. Rolling against blind scores.
- C. Substitutes and their starting averages.
- D. The number of regular members which a team may carry.
- E. What financial and position standings should a team take when it replaces a team that has withdrawn from the league. Also how is this team accepted into the league.
- F. What handicap should be used for a starting bowler.

Review your league rules to see that all of these points are covered with good clear rules. Check the back of the ABC Rule Book for suggested league rules. A good set of league rules is a must and helps prevent protests. If you have any questions please contact your lane representative or the GLBA Office.

Next year Louisville will host the 37th Annual Southern Bowling Congress Tournament which will attract 2,000 bowlers to this area besides our local bowlers. These bowlers will spend two days in Louisville and spend a half million dollars while here. This new money creates additional business and jobs and all in the area will profit from it. The Southern Bowling Congress and the tournament are self supporting and do not cost the GLBA Bowler one penny to operate, excluding those who volunteer their time to make it a success. In 1962 Louisville hosted the largest team tournament in the SBC history with 886 teams taking part. Our goal this year is 1,000 teams which can only be accomplished with the full support of the Falls City area. Please make your plans now for next March to enter the SBC Tournament.

Starting in February of 1974 the Grandfather of all bowling tournaments, the American Bowling Congress Tournament, will be held in our neighboring city of Indianapolis. The Greater Indianapolis Bowling Association has enlisted the help of the GLBA to promote this tournament. One way is to enter a team and roll in the tournament. Another is to buy tickets to attend one of the sessions of the tournament. Normally a ticket to one session of the ABC costs \$2.00 per person, but an advance sale ticket which is good for any session of the Tournament costs only \$1.00. This is a real bargain as this ticket is good when the ABC Masters Tournament rolls and the Masters is bowling's number one spectator attraction. Help Indianapolis now and when it comes our turn to host the ABC I am sure they will give us the same help.

At the ABC Convention this year one important rule was passed requiring a league Treasurer to furnish the league's Board of Directors a financial statement showing the complete receipts and disbursements of the league funds plus prize list at the end of the season. For the past two years the GLBA has asked the same information from all league Treasurers, and a majority have complied. It is most important to keep the bowler informed how his money is spent and it is his right to know at any and all times. Annually we receive many calls questioning how the league money was spent. Most of the time where we have had the financial statement on file we have been able to clear the matter up to the satisfaction of the bowler without the treasurer ever being embarrassed. In the case of those who thought the league's finances is a deep dark secret this has not been true. The only reason this information is needed at our office is to keep us informed so we can keep the bowlers informed. Please cooperate.

Don't forget our early City Tournament running from August 25th through September 3rd. As usual our office is open to all and please drop by if you have a problem. We will do our best to solve any bowling problem. Thanking you again for the fine cooperation which I have received in the past and looking forward to your continued cooperation in the 1973-74 season.

JACQUES CURWEN, SECRETARY

**League Final Averages Are Due Immediately

MR. PRESIDENT it is part of your job to check with your Secretary to see that he turns in your League Averages, so they get in the Year Book.

## EARLY HISTORY OF BOWLING . . . . . In Louisville

The Greater Louisville Bowling Association was somewhat informal before it became a permanent organization. The Association would hold a meeting each year just prior to the American Bowling Congress Tournament, and then each team in Louisville that contemplated rolling in the A.B.C. Tournament would pay the necessary dues. This procedure was followed each year until 1907 when a permanent organization was effected. The officers chosen for this charter organization of 1907 were E. B. Addison, President; John J. Barry, First Vice-President; F. J. Manteuffel, Second Vice-President; and J. L. Schramme, Secretary-Treasurer.

*(The above was taken from some old records on hand; however, from an A.B.C. yearbook we find the following notation: Louisville was one of the first cities to form an association (1889) and join the A.B.C. which was founded in 1895.)*

Around 1900 there was an eight-club traveling league known as the Louisville Bowling League. They rolled at Owen's Alleys at 20th and Chestnut; Keoner Bros. at 18th and Walnut; West End Alleys at 25th and Market and Obst Alleys at Hancock and Breckinridge.

The first bowling tournament in Louisville was conducted at the Owen Bowling Alleys, 635-637 S. 4th St., from June 24 through 30. The Rough Riders won the championship with a score of 2688.

Louisville was host to an American Bowling Congress Tournament in 1906 and the building used was the Armory at 6th and Walnut Sts. Sixteen lanes were installed there for use in the tournament and the event lasted eleven days, March 17 to 27. The entry list showed 221 five-man teams, 460 doubles and 897 singles. The prize list amounted to \$12,418.50.

Louisville and New York City are the only city associations with the distinction of having had four men serve as President of the American Bowling Congress. The Louisville men were in order of service: In 1905-1906, J. H. "Jake" Haager, a Police Chief for the City of Louisville; in 1918-19 and again in 1919-20, Robert "Bob" Brown, a local sports editor; in 1934-35, Alf F. Martin, a claim agent of the L. & N. R.R., and the late John L. Sullivan, long-time secretary of the L.B.A., in 1950-51.

To give you an idea of the growth of bowling in Louisville: In 1900 just one team was registered with the A.B.C. In 1910 there were 33, but this dropped to 22 in 1920. In 1926 we had 46 teams but 1927 brought a big increase in bowling with 187 teams registered. The number grew each year and for the 1965-66 season the Louisville area reached a peak with 7,296 teams.

The records of the association were lost for a period of years and our present records only date back to 1929.

## THE BOWLING FRATERNITIES

The following articles are of associations, clubs and organizations pertinent to the bowlers of the Louisville area.

As truly as bowling is a sport it is also social and civic in its embrace, thus calling for many diversified organizations to administer its many activities. The G.L.B.A. participates in many of these clubs and is always willing to advise or assist in the formation of any new ones.

### GREATER LOUISVILLE BOWLING COUNCIL

The Council, organized in 1948 as the Louisville Bowling Council, adopted the present name in 1967 to describe better the area serviced. Its purpose is best explained in its slogan of "Promoting harmony among all groups identified with bowling in general." The Council consists of five members each from the G.L.B.A., L.W.B.A., B.P.A.L. and Manufacturers Agents of Bowling Equipment.

One of the prime functions of the Council has been running the Kentucky All-American Youth Tournament. This year, for the first time, it was conducted on a district qualifying basis, with only graduating high school seniors taking part. The 1973 winners, who will represent Kentucky in the National Finals at Washington, D. C., are: Richard Wright, New Albany, in Boys' Scratch Division; Charles Fraley, Ashland, Boys' Handicap Division, and Debbie Williams, Louisville, Girls' Division.

The Council also is active in fund campaigns devoted to the assistance of children.

The oldest of these is the annual Crippled Children Charity Drive. Over a 25-year period, voluntary contributions have reached a total of \$158,284.81. The 1972 drive netted \$10,218.89, which was distributed among: Kentucky—Kosair Hospital, Cerebral Palsy School, Muscular Dystrophy Association, Kentuckiana Center and Kentucky Chapter, National Hemophilia Foundation. Indiana—Southeastern Rehabilitation Center, Joseph Rauch Memorial Center and New Hope School.

The council also sponsors an annual Bowlers' Crusade for Children as a part of the Kentuckiana Crusade for Children Charity Drive. The 1973 Bowlers' Crusade produced a net amount of \$6,619.40.

Officers of the Council are Conrad F. "Cooney" Storz, President; Nancy Straub, First Vice-President; Wood Axton, Sr., Second Vice-President, and Frances Sehr, Secretary-Treasurer.

### KENTUCKY STATE BOWLING ASSOCIATION

State Tournament at Ashland in November, 1973

The Kentucky State Bowling Association was officially organized in the summer of 1956. Its purpose is to promote bowling in our State of Kentucky and foster good sportsmanship among the bowlers.

The K.S.B.A. and its attendant tournament have continued to grow in size and stature and have brought to the state a more common bond and a greater working knowledge of our favorite sport.

At the annual meeting in Bowling Green last fall, the following officers were elected: James Donithan of Ashland, President; Charles Shaw of Lexington, 1st Vice-President; Max Weinstein of Louisville, 2nd Vice-President; Sherman Lambert of Henderson, 3rd Vice-President; James Hines of Bowling Green, 4th Vice-President; Bill McGuire of Ashland, 5th Vice-President. Corky Steinmetz of Owensboro was elected Secretary-Treasurer.

The 18th annual State Tournament will be held at Ashland's Blue Ribbon Lanes on the weekends of November 3-4, 10-11 and 17-18. The annual meeting will be held on the first Sunday of the tournament (Nov. 4).

The K.S.B.A. held its 11th annual Jamboree for state and city association officers at Glasgow, Kentucky, on June 9. Others were held previously at Louisville, Prestonsburg, Madisonville (twice), Henderson, Frankfort, Elizabethtown, Shelbyville, Campbellsville and Paris.

## SOUTHERN BOWLING CONGRESS

1974 Tournament here in LOUISVILLE, KENTUCKY — March 2 thru March 24

This is Louisville's big year as far as the Southern Bowling Congress goes as we host the 37th Annual SBC Tournament. In 1962 612 Louisville teams helped make that tournament a record with a total of 886 taking part. With an expected entry of 400 teams from other parts of the South we can break that record again with help from all of our leagues. In addition to breaking the team record entry, we also had the lowest percentage taking part in the minor events. This year in Little Rock there were 1540 sets of doubles or 100% participation from those taking part in the team event, while in 1962 less than 70% took part in both the team and minor events. This year don't just plan to enter the team event. Make it all the way.

This past year Louisville was represented by 27 teams in Little Rock's Tournament plus 13 other teams from Kentucky. This was an excellent representation from our area, but unfortunately this year our scores did not equal the interest and we had no top winners.

Bob Storm of Huntsville, Alabama, was elected President of the SBC for 1973-74. Max Weinstein, Louisville, Kentucky, is now 2nd Vice President with Bill Doyle, Louisville; Jim Hines, Bowling Green; R. V. Craig, Paducah; and Corky Steinmetz, Owensboro, representing Kentucky as Directors. Jacques W. Curwen is still serving as Secretary- Treasurer.

The 1974 SBC Tournament will roll the team event at Ken-Bowl Lanes and the minor events will be at Cane Run 72 Lanes. Eugene Wells will serve as Tournament Manager. Entry Blanks will be available at the lanes. The Tournament will run week ends starting March 2nd and ending March 24th unless the entries warrant another week end. The entries will close January 23, 1974, so make your plans early to roll.

## QUARTER CENTURY BOWLING ASSOCIATION

### Home No. 5

The Quarter Century Bowling Association is an organization of male bowlers who have participated in the game at least 25 years, either in open or league play. Its functions are strictly social so that the older bowlers, both active and retired, can perpetuate the pleasant friendships and experiences accumulated throughout the years.

The Association was formed in 1948 when the late Charlie Frank, Sr., enrolled some 40 charter members to form Home No. 5. They then elected George E. Graf, President; Newton Seibert, Vice-President, and Matt Hillerich, Secretary.

There is no initiation fee and dues are \$3.00 per year payable each December. Bowling was changed to the last Sunday in November at the December 1971 meeting. This is a Singles tournament. The second of each September is the annual stag where you can have a good time with your old FRIENDS. December of each year is when the membership convenes to elect New Officers and hold a Christmas party, where you can have some fun.

You are eligible to join with 25 years of bowling, open or league play. Contact a member for information.

The winner of the 1972 bowling tournament was Scott McClain. Starting in 1969 a Special Award was approved for the Oldest Bowler participating in the Tournament. Winners have been Phil Sandman 83, 1969; Julius Geiser 83, 1970; Milton Money 81, 1971 and Arthur Kuhn 79, 1972.

## **BOWLING PROPRIETORS ASSOCIATION OF LOUISVILLE**

The Bowling Proprietors Association of Louisville was formed in 1946, consisting of 12 bowling centers in Jefferson County. The Association now has 16 member houses and is an affiliate of the Kentucky Bowling Proprietors Association. It is the aim of this organization "To Provide The Best Service and Conditions for Bowling and its Promotions."

The member establishments (listed herein) of the B. P. A. of L. present to their bowlers a complete awards and tournament program. This program has been designed to acknowledge the achievements of ALL bowlers by providing awards based on his or her individual average.

To the youth of Kentucky, the Kentucky Youth Bowling Association offers one of the most wholesome amateur sports programs in the nation under the responsibility of the B. P. A. proprietor.

The tournament program provides the thrill of tournament bowling to every league bowler from the house to the state finals at a very nominal cost. In the Honor Awards Tournament, the local B. P. A. proprietor covers all expenses and builds up the complete prize list. The bowler's only cost is for the bowling, plus a registration fee. The bowler qualifies through high scores in league play.

Reelected as officers for the 1973-74 season were Woody Axton, Sr., of Ten Pin Lanes, President; Bob Wynn of Buechel Lanes, Vice-President, and Ed Torstrick of Hikes Point Lanes, Treasurer. Directors are Axton, Wynn, Betty Alvey of Rockford Lanes, Lou Frantz of Thelmal Lanes, John McCarthy of Lyndon Lanes, Bill Byron of Vernon Lanes and Gene Haag of Poplar Level Lanes. ## **GREATER LOUISVILLE JUNIOR BOWLING ASSOCIATION**

The GLJBA is a member of the American Junior Bowling Congress. The AJBC, now co-sponsored by the ABC and WIBC, was founded in 1946 by Milton Raymer of Chicago.

The GLJBA came into existence when a meeting was held in September, 1964, with eight persons in attendance, including three from GLBA, three from LWBA, and two bowling proprietors. At that time, ABC Director Carl Rush suggested that a constitution for the AJBC local association be accepted with additions agreed upon.

Membership in the AJBC program dropped this year, but these junior bowlers were not lost to bowling. Some leagues were picked up by the YBA Jr. program and will still get responsible leadership in bowling.

The annual City Tournament was held at Cane Run Lanes, the 2nd annual Tournament of Champions at Rose Bowl Lanes, and the State Tournament at Bowling Green, Ky. All tournaments were successful. We again put our belief and backing in the All-American Youth Scholarship Program.

If we can educate our youth in the values of sportsmanship and good citizenship, then we will have accomplished what this organization has set out to do. Junior bowling is the future of the game. Through organized junior bowling, the adult bowling prospers.

The GLJBA is operated by a Board of Directors consisting of five each from among lane proprietors, GLBA members, LWBA members, and junior coaches. The outgoing officers for the '72-'73 season are Ethel Hoistad, President; Dave Tomerlin, Vice President; and Jacques Curwen, Secretary-Treasurer. New officers will be elected at the next annual meeting.

## **LOUISVILLE WOMEN'S BOWLING ASSOCIATION**

The Louisville Women's Bowling Association's first recorded membership came in 1926. At that time there were three ladies leagues and a city membership of 175. This membership has grown to 249 all-lady leagues with a membership, ending this past season, of 22,300. The total of all leagues women bowled in was 623, including mixed leagues.

The LWBA's 1974 City Tournament will be held the first four weekends of March, starting March 2, at sites to be announced later. The 1973 State Women's Tournament will be held in Lexington over three weekends, starting October 27. The 1974 Women's International Bowling Congress Tournament will be held in Houston, Texas, starting April 4.

After 45 years' service as secretary of the LWBA, Miss Meta K. Schwarz announced her retirement this year. Mrs. Edwina Ringo was elected to a three-year term to take her place.

L.W.B.A. officers for 1973-74 are: President, Juanita Pash; 1st Vice-President, Lillian Haag; Treasurer, Margaret Culver; Secretary, Edwina Ringo, 3 Edmonia Avenue, 40220; phone, 458-2238.

The End-of-the-year Roll-offs were held at Western Lanes on May 6 and the overall Grand Champs were: Capt. L. K. Klemenz' team from "O" league rolled 2967 and took 1st place honors. ## UNION PRINTCRAFTS BOWLING ASSOCIATION

The Louisville Union Printing Crafts Bowling Association is an affiliate of the Union Printcrafts Tri-City Bowling Association, whose purpose is to promote an annual tournament and social gathering for union printers and their ladies. The affair rotates among the membership cities of Cincinnati, Louisville, Indianapolis in the order named. The 27th annual meet will be in Indianapolis in February, 1974.

A big attraction in these meets, besides the bowling, is the social activities. There is a dance, refreshment room, entertainment, banquet and other diversified affairs of interest. All this makes a two-day gala event. Expenses are met mostly through weekly dues which allows its members to attend tournament activities for a very nominal registration fee.

The local organization was formed from a bowling league which started in 1914 and is still in existence. In 1916 local members invited some Cincinnati members for match games and the result was the formation of the Union Printing Crafts Tri-State B. A. This eventually spread to some 15 cities in the Kentucky, Indiana, and Ohio area. Such a large tournament became cumbersome, so in 1946 Cincinnati, Louisville and Indianapolis formed the Tri-City Association which has proven well balanced, well co-ordinated and very successful.

Most certainly there is no local tournament which compares with the annual Tri-City meets insofar as local participation and social activities are concerned. These tournaments draw from 115 to 175 four-man teams. Each year the total registration, including the ladies, runs around 1,000.

The Louisville Association includes some 6 leagues and over 500 members. There were 84 Louisville teams in the 1973 meet held in Louisville.

# The AMERICAN BOWLING CONGRESS

*what it means to you . . .*

A membership organization devoted to the game of American tenpins . . . The number of men is now estimated to be 4,500,000 . . . It is the world's largest sports organization.

Striving always for the betterment of bowling, the ABC legislates the rules and requirements for equipment in its leagues and tournaments. It supervises, it guides and serves all who compete in its more than 1,000,000 teams around the world.

ABC is non-profit, non-commercial.

It is honored. It is respected. Its rules are accepted wherever American Tenpins are bowled.

Its specifications are followed by manufacturers . . . its program of annual inspection and certification of alleys shows which bowling establishments meet ABC requirements.

This standardization of rules and equipment has been a distinct service to the game and the industry supplying its needs.

ABC spends \$5,000.00 each day of the year in service to its members.

Its annual award program costs \$350,000.00 alone . . . this includes awards for high individual games of 300, 299 and 298 . . . awards for seasonal high scores in team and individual classifications . . . awards for seasonal high scoring in each city association . . .

## YOUR MONEY PROTECTED BY ABC BONDING PROGRAM

All league (both adult and junior), city and state association officers are automatically bonded in the amount of \$5,000. Their funds are also insured against loss by burglary and holdup. To obtain full coverage under these programs certain conditions must be followed in the handling of funds. These are:

1. The funds must be deposited in a recognized banking institution weekly in the name of the organization.
2. The treasurer and one other officer of the organization must co-sign for all withdrawals.
3. The president of the organization must verify monthly the balance in the account.

Under the bond only 50% coverage is granted if any or all of these conditions are not observed.

The burglary and holdup insurance covers one week's receipts up to \$1,000 and all authorized withdrawals to \$5,000. Unless funds are deposited in a recognized banking institution, the insurance company is liable for only one week's receipts.

## ABC'S HOME OFFICE

The national headquarters of the American Bowling Congress (pictured above) is located at Greendale, Wis., a suburb of Milwaukee, in a building completed in 1972 and formally dedicated in July, 1973. It is here that the Congress' staff of 90 employees, under the direction of Al Matzelle, ABC executive secretary, performs the many and varied services of the ABC.

The same building houses the national offices of the Women's International Bowling Congress, which were moved from Columbus, Ohio, late in 1972. The address is 5301 S. 76th St., Greendale, Wis., 53129, and the telephone number is 414-421-6400.

awards for every championship team in every league and city and state association tournament . . . and additional awards for special accomplishments including the Century Award.

Other services feature rule books and a variety of other "tools" essential to the creation and operation of leagues and tournaments. These "tools" include model league constitutions, schedule codes, average calculators and cards, handicap manuals, standing sheets, membership cards and many others.

The climax to every bowling season is the colorful ABC Tournament which attracts 25,000 to 40,000 bowlers each year and pays a prize list from \$300,000 to \$600,000. It is the world's largest participant sport show.

ABC's annual convention is held in conjunction with its tournament. Rule changes and policy plans are formulated by delegates from 2,900 city associations representing the leagues from local areas.

Delegates elect 75 officers and directors and a Secretary-Treasurer to administer ABC's business. With the exception of the Secretary, these officers serve without pay.

ABC publishes BOWLING magazine and provides a News Letter service on bowling events to the press and radio.

Founded in 1895, it was incorporated in 1903.

Thousands of inquiries on rules and other bowling problems are handled by the office each year. It originates 3,400 pieces of mail every day.

Editor's Note: For additional information on the ABC's awards program and services of ABC we refer you to any of the ABC's rule books. There you will find an outline of these services.

## MAX WEINSTEIN

### Director — American Bowling Congress

MAX WEINSTEIN

Max Weinstein, a long-time leader on Louisville, state and regional levels, is the American Bowling Congress executive director for Kentucky and Southern Indiana.

He was first elected at the 1971 convention of the ABC in Detroit and took office on Aug. 1, 1971, as successor to Carl A. Rush, who retired after 20 years' service as ABC director for this area. At the same meeting in Detroit, Carl was voted a life membership in the ABC.

A bowler for 22 years, Max Weinstein was elected to the Board of Directors of the Greater Louisville Bowling Association in May, 1963, and now is First Vice-President. He is also a vice-president of the Kentucky State Bowling Association and the Southern

Bowling Congress. For the past two years, he has served on the ABC building committee and, for the past year, on the ABC rules committee.

Max is part owner of the Brody Floor Covering firm. He and his wife, Frimi, have a son, Mark, 20. A left-handed bowler, Max had a high average of 194 in his four leagues last season. He rolled a perfect game in 1964 and has posted several 700 series.

His duties as ABC director include assistance in the formation of local bowling associations in this area, cooperation with existing associations in problems that might be referred to the ABC, working with the American Junior Bowling Congress in this area, and serving as liaison to the Bowling Proprietors Association of Louisville.

## 11 LOUISVILLE TEAMS AT 1973 ABC TOURNAMENT

A total of 11 teams represented Louisville at the 1973 American Bowling Congress tournament in Syracuse, N. Y., but the one causing the loudest explosion was the Thelmal Masters fivesome captained by Ray Yocum, who assembled it from among Masters League bowlers.

Led by Ron Woollet's 760 and Sam Capshaw's 701, the team rolled games of 1033, 943 and 1142 for a 3118 series that captured first prize of \$6,000 in the five-man event. Other members were Don Massie and Ron Moore. In addition, Woollet took the all-events title with 2104, winning \$1,200. They competed in the Regular Division.

The 1974 ABC will be held in Indianapolis. The tournament goes to Dayton, Ohio, in 1975 and to Oklahoma City in 1976.

## PIN FALL OF 1972-73

By KEN RUSH

Ken Rush

Twin championships in the American Bowling Congress tournament at Syracuse, N. Y., climaxed a season of brilliant achievements by Louisville bowlers.

Ron Woollet, a 21-year-old left-hander, captured the ABC all-events title with 2104, fashioned with series of 760 in the team event, 669 in doubles and 675 in singles. His 760 and Sam Capshaw's 701 paced their Thelmal Masters team to victory in the five-man event with 3118. Other members were captain Ray Yocum, Don Massie and Ron Moore.

Woollet dominated in other aspects, too. He led the city with his 220 season average in the Singles Classic League at Indian Trail Lanes, where he also set a new city four-game record of 1054. That surpassed the old record of 1020 shared by Bert Swearingen and Vinnie Atria. Woollet's games were 244, 277, 254 and 279.

The young lefty also led his three-man team to a rolloff victory in the Masters League at Thelmal Lanes, won the annual Masters singles tournament and topped a field of pros and local stars in a Bowl for the Crusade tourney at Thelmal.

An even younger bowler, 15-year-old Ronnie Graham, captured season series honors with 300-268-225—793 in the Thelmal Major League. In one span, he hit 18 successive strikes. But Graham had to surrender overall laurels to Steve Cline, 17, who rolled a 799—just three pins under the all-time adult record of 802—in a junior league at Indian Trail. Cline's games were 279, 288 and 232.

Altogether, there were nine sanctioned 300s, a new record for one season. Bobby Pence added another record with a 235-235-235 triplicate in the Thelmal Masters League.

Jim Ewald, Jr., who averaged 205 or better in all seven of his leagues (211 high), caused a stir in the tournament world also. He won the Louisville All-Star, with Dave Howlett placing second, and went on to finish eighth in the U. S. Open at New York, winning \$1,600 and missing the nationally televised finals by only nine pins.

Howlett, who had five league averages of 203 or more, placed 25th in the U. S. Open, missing the semifinals by just five pins.

Diane Stilts and Pat Robinette were one-two in the women's All-Star.

Louisvillians clicked again in the Petersen Classic at Chicago. Junie Hutcherson shot 1603 and Sonny Frantz 1596 for eight games, apparently assuring both of \$1,000 prizes.

The annual City Tournament produced some unusually high scores under a new handicap system of 90 per cent based on 210. The first four teams and the first two doubles pairs went over tourney records set under the old 66 2/3 per cent handicap.

The wheels were set in motion to hold the 1973-74 City Tournament from August 25 through September 3, 1973—just before, instead of during, the winter season.

Ken-Bowl and Cane Run-72 Lanes were chosen as sites of the 1974 Southern Bowling Congress tournament in March. And with the announcement of plans for a new downtown civic building, hopes were boosted that Louisville will be selected for a future ABC tournament.

Jack Koch Sr., Gene Wells and the late Bob Kaiser were elected to the GLBA Hall of Fame. Lou Frantz, an earlier Hall of Fame inductee, was elected president of the Professional Bowlers Association at Akron, Ohio. He is also tournament chairman for the Bowling Proprietors Association of America.

The death of George Seiler took the dean of Louisville-area lanes managers. He had been manager and part owner of Ken-Bowl since it opened in 1962 and, before that, was at Western Lanes and old Pearl Oak Lanes in New Albany.

Okolona Lanes announced plans for the addition of 12 lanes, giving it a total of 28, and new computerized scorekeepers, the first in Louisville. Parkmoor Recreation planned the installation of new automatic pinsetters, ball returns and Tele-scorers. Each project was expected to cost upward of \$500,000.

The 12-lane former Doe Bowl at Brandenburg, Ky., was purchased and reopened by Bob Bosley, who is operating it as "Bosley Lanes" with his son, Lowell.

On the national scene, the ABC and the Women's International Bowling Congress moved into their new joint headquarters at Greendale, Wis., a suburb of Milwaukee. The WIBC offices had been located in Columbus, Ohio, for many years.

HEAD PIN!***

Like bowling, every family has its "head pin." He's the breadwinner, the man who pays the bills.

What happens if your family's head pin is struck down by accident or illness? Your demands for money remain the same, but the source of cash is no longer there.

Smart families keep their eyes open to the needs for life insurance. We at Commonwealth can help you plan a complete program of protection for your head pin . . . and for the entire family.

# Attention, Secretaries!

## YOU MUST REPORT YOUR AVERAGES PROMPTLY (This Includes Those For Men Bowlers In Mixed Leagues)

Under ABC rules, secretaries of men's and mixed leagues must report averages to the city association secretary immediately after the end of their winter seasons. Failure to do so shall subject League Secretary to trial before the Board of GLBA with a recommendation to the Legal Committee of ABC.

If a league is still operating on May 1st, averages must be reported as of that date.

All Men's Averages Should Be Mailed Or Sent To

# Craftsmanship . . .

**People Who KNOW Good Printing Insist On The Label**

This label is your assurance that the work was done by master craftsmen members of the seven printing trade unions. It also is your assurance that the user's relationship with his employee is American.

By adopting the Union Label on your printed material, it will bear a message of good will, not only to the organized workers and their families in the Louisville Area, but also to unorganized workers who realize that favorable working conditions are maintained only through the organization of the worker.

## COURTESIES OF THE LANES

Etiquette and sportsmanship go hand in hand in all forms of sports. Observing a few basic courtesies can add much to your pleasure and scores thus gaining you the respect of your companions.

- *The beginner should be helped, not ridiculed; a prospective bowler could be laughed out of the sport. At all times confine remarks to the bench.*
- *Turn scoremarking duties over to someone else BEFORE it is your turn to bowl. Others can be as adept at keeping score as you.*
- *Be prepared to take your turn promptly. Meet the player ahead of you as he comes off the approach.*
- *Give right of way to bowlers already on approach. In event corresponding bowlers address the pins at the same time the man on the right should take the initiative.*
- *Get set for your shot, don't waste your time and everybody else's by useless posing or waiting until everybody in the establishment is off the approaches.*
- *After each delivery move to the rear of the runway. This assures players in adjacent lanes of no interference from you.*
- *The runways may not be exactly to your liking, but don't attempt to condition them yourself. The management is much better equipped to do the job.*
- *When the match is over leave the playing area promptly. Scores can be tallied away from the lanes and the next group of bowlers can start their games.*
- *Play the game to win, but be a gracious loser if you are on the short end of the count when the game is over. Bowling is a social sport.*
